860 Students respondent

# Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- Want to teach practically and to promote seminars
- Teaching is good
- Give easy ways to study
- Interact more with students
- Focus on entrepreneurship
- Not bad
- Need more friendly communication with students and need some equipment for our studies
- A few Teachers must try to teach slowly and make sure everyone understands that topic
- Give the importance for sports
- Motivating every one, Teaching is well and good
