Date:07.09.2021

Dear Students!

Warm Greetings from Dhaanish Ahmed College of Engineering!

As per the direction from Anna University, the regular physical classes for the higher semester students of Engineering / Technology will begin on the **15th of September 2021**. Accordant with safety norms and the COVID protocols rendered by the Government of Tamil Nadu, all the students who are set to attend physical classes are required to follow the Standard Operating Procedures (SOP) and are obligated to get vaccinated with at least one COVID vaccine dose before attending the offline classes. It is mandatory for the students to produce the vaccination certification to the institution and confirm their vaccination. Those who do not abide to the following protocols or fail to get their COVID vaccination will not be allowed to attend offline classes or allowed inside the college premises while the physical classes are in progress. Your utmost cooperation in this regard is expected.

With Regards,
